*** Images**

For each final report, we require at least three photos, 300 DPI jpeg files descriptive of your project, with appropriate captions, which may be used to illustrate the types of projects funded through the Disney conservation awards. We appreciate photos that represent the various components of your program, from your field conservation efforts to your community engagement work.

Photos should be saved as: Name of Photographer-brief caption with location mentioned. (Example: Claire Michael-Sand skink relocation in Central Florida). An additional caption sheet should be uploaded with the photos to provide a broader description. Each caption should include basic information about the animal or action in the photo and significance of the picture, including the name of the photographer and the names of any persons appearing in the frame where possible.

Photo files are limited to a total of 10 MB and if larger please contact Corp.Conservation@disney.com for further instructions. Provide photos that are cleared for publication.

*** Is video available of this project?**

If yes, and you are comfortable with the terms of use below, please contact Corp.Conservation@disney.com for either electronic relay or shipping instructions.
