* This list of Multi-Stakeholder or Industry Initiative Audit Programs is subject to change. Please check the Disney website ([Updates and Notifications section on impact.disney.com](#)) for the most up to date list. ILS audits conducted in accordance with the standards of a multi-stakeholder or industry initiative program must be performed by an authorized Social Compliance Monitoring Organization as designated by the respective program, subject to any limitations indicated at the following website: [Social Compliance Monitoring Organizations Authorized to Conduct Disney Style Audits](#).
