

Chemical Family	Substance	Scope for Disney-branded products developed and sourced by Disney entities	Threshold	Timeline for meeting threshold for Disney-branded products developed and sourced by Disney entities, EOY	CAS number
PFAS					
	any organic chemical with at least one perfluorinated methyl group (-CF ₃) or a perfluorinated methylene group (-CF ₂ -)	all consumer products and packaging	Not intentionally added	2022	NA
		all consumer products and packaging	Not intentionally added	2022	NA
Flame Retardants					
	Tris(1,3-dichloro-2-propyl) phosphate (TDCP)	electronics (accessible components only), textiles, toys, and furniture	Not intentionally added	2026	13674-87-8
	Tris (2-chloroethyl) phosphate (TCEP)	electronics (accessible components only), textiles, toys, and furniture	Not intentionally added	2026	115-96-8
	Tris(2-chloro-1-methyl)ethyl phosphate (TCPP)	electronics (accessible components only), textiles, toys, and furniture	Not intentionally added	2026	13674-84-5
	Decabromodiphenyl ether (DecaBDE)	electronics (accessible components only), textiles, toys, and furniture	Not intentionally added	2026	1163-19-5
	Hexabromocyclododecane (HBCD)	electronics (accessible components only), textiles, toys, and furniture	Not intentionally added	2026	25637-99-4
	Tetrabromobisphenol A (TBBPA)	electronics (accessible components only), textiles, toys, and furniture	Not intentionally added	2026	79-94-7
	Pentabromophenol (PBP)	electronics (accessible components only), textiles, toys, and furniture	Not intentionally added	2026	608-71-9
	Bis (2,3-dibromopropyl) ether of TBBP-A (BDBPT)	electronics (accessible components only), textiles, toys, and furniture	Not intentionally added	2026	
	Bis (2,3-dibromopropyl) phosphate (BBP)	electronics (accessible components only), textiles, toys, and furniture	Not intentionally added	2026	5412-25-9
	Tris(2,3-dibromopropyl) phosphate (TRIS)	electronics (accessible components only), textiles, toys, and furniture	Not intentionally added	2026	126-72-7
	Tris (aziridinyl) phosphite oxide (TEPA)	electronics (accessible components only), textiles, toys, and furniture	Not intentionally added	2026	545-55-1
	Octabromodiphenyl ether (OctaBDE)	electronics (accessible components only), textiles, toys, and furniture	Not intentionally added	2026	32536-52-0
	Pentabromodiphenyl ether (PentaBDE)	electronics (accessible components only), textiles, toys, and furniture	Not intentionally added	2026	32534-81-9
	Tetrabromodiphenyl ether (TetraBDE)	electronics (accessible components only), textiles, toys, and furniture	Not intentionally added	2026	40088-47-9
	Hexabromodiphenyl ether (HexaBDE)	electronics (accessible components only), textiles, toys, and furniture	Not intentionally added	2026	36483-60-0
	Hexabromodiphenyl ether (HexaBDE)	electronics (accessible components only), textiles, toys, and furniture	Not intentionally added	2026	69928-80-3
	Polybrominated-biphenyls (PBBS) (including HexaBB-36355-01-8)	electronics (accessible components only), textiles, toys, and furniture	Not intentionally added	2026	n/a
	Short Chain Chlorinated Paraffins (SCCP)	electronics (accessible components only), textiles, toys, and furniture	Not intentionally added	2026	85535-84-8
Phthalates					
	Benzyl butyl phthalate (BBP)	all consumer products (accessible components only)	0.1% individual substance or < 0.1 % for sum of DBP, BBP, DEHP, DNOP, DINP, AND DIDP	2026	85-68-7
	Diethyl hexyl phthalate (DEHP)	all consumer products (accessible components only)	0.1% individual substance or < 0.1 % for sum of DBP, BBP, DEHP, DNOP, DINP, AND DIDP	2026	117-81-7
	Di-butyl phthalate (DBP)	all consumer products (accessible components only)	0.1% individual substance or < 0.1 % for sum of DBP, BBP, DEHP, DNOP, DINP, AND DIDP	2026	84-74-2
	Di-n-octyl phthalate (DNOP)	all consumer products (accessible components only)	0.1% individual substance or < 0.1 % for sum of DBP, BBP, DEHP, DNOP, DINP, AND DIDP	2026	117-84-0
	Di-isooctyl phthalate (DINP)	all consumer products (accessible components only)	0.1% individual substance or < 0.1 % for sum of DBP, BBP, DEHP, DNOP, DINP, AND DIDP	2026	28553-12-0
	Di-isodecyl phthalate (DIDP)	all consumer products (accessible components only)	0.1% individual substance or < 0.1 % for sum of DBP, BBP, DEHP, DNOP, DINP, AND DIDP	2026	26761-40-0
	Di-pentyl phthalate (DPNP, also listed as DPENP)	all consumer products (accessible components only)		0.10% 2026	131-19-0
	Di-hexyl phthalate (DHHP, also listed as DHEXP)	all consumer products (accessible components only)		0.10% 2026	84-75-3
	Di-cyclohexyl phthalate (DCHP)	all consumer products (accessible components only)		0.10% 2026	84-61-7
	Di-isobutyl phthalate (DIBP)	all consumer products (accessible components only)		0.10% 2026	84-69-5
Bisphenols					
	Bisphenol A (BPA)	children's products (sunglasses and protective eyewear exempt), toys, childcare articles, apparel, and receipt paper	Food Contact - non-detect Toys - migration limits of 0.04 mg/L Childcare articles - content of 0.1 mg/Kg or non-detect Apparel - 1 ppm or 1 mg/Kg Receipt paper (Disney in-store retail only) - 0.02 % content or 200 ppm or 200mg/Kg	2026	80-05-7
	Bisphenol S (BPS)	children's products (sunglasses and protective eyewear exempt), toys, childcare articles, apparel, and receipt paper	Food Contact - non-detect Toys - migration limits of 0.04 mg/L Childcare articles - content of 0.1 mg/Kg or non-detect Apparel - 1 ppm or 1 mg/Kg Receipt paper (Disney in-store retail only) - 0.02 % content or 200 ppm or 200mg/Kg	2026	80-09-1
	Bisphenol F (BPF)	children's products (sunglasses and protective eyewear exempt), toys, childcare articles, apparel, and receipt paper	Food Contact - non-detect Toys - migration limits of 0.04 mg/L Childcare articles - content of 0.1 mg/Kg or non-detect Apparel - 1 ppm or 1 mg/Kg Receipt paper (Disney in-store retail only) - 0.02 % content or 200 ppm or 200mg/Kg	2026	620-92-8 87139-40-0
	Bisphenol AF (BPAF)	children's products (sunglasses and protective eyewear exempt), toys, childcare articles, apparel, and receipt paper	Food Contact - non-detect Toys - migration limits of 0.04 mg/L Childcare articles - content of 0.1 mg/Kg or non-detect Apparel - 1 ppm or 1 mg/Kg Receipt paper (Disney in-store retail only) - 0.02 % content or 200 ppm or 200mg/Kg	2026	1478-61-1
PVC					
	Polyvinyl Chloride (PVC)	all packaging	No intentionally added PVC for: Windows in folding cartons Blister packs Clamshells Protective overwrap bags <1% of total packaging weight of PVC for ties, tabs, and fasteners	2026	9002-86-2
